

GEOSS Workshop XXII

Air Quality and Coastal Ecosystems

Place: Hynes Convention Center, Boston, MA, USA, July 6, 2008

Time: 8:30 am to 5:00 pm

Fee: No fee; open participation.

This one day IGARSS pre-conference workshop is focused on Global Earth Observation System of Systems (GEOSS) engineering, implementation of the GEOSS information infrastructure, and GEOSS emerging applications and pilot projects. The workshop will also provide a forum for discussing the development and operational issues of Air Quality and Coastal Ecosystems. Specific emphasis will be on the overarching engineering challenges for this system of systems.
